Presentation of COLEAD : programmes, services and activities in the Caribbean region

Fit For Market+ (FFM+) provides support to the horticultural sector in member countries of the Organisation of African, Caribbean and Pacific States (OACPS) to improve the capacity of

smallholders, farmer groups and horticultural MSMEs to access domestic, regional and international markets through the progressive sustainable intensification of the horticultural sector, while adapting to changes in their operating environment due to Covid-19 and climate change.

The webinar is targeted at Agriculture/Horticulture MSMEs to learn more about the FFM+ programme. FFM+ is a program implemented by COLEAD within the framework of Development Cooperation between the Organization of African, Caribbean and Pacific States, and the European Union.
