

The ACS Secretariat expresses its condolences and solidarity with Grenada in the wake of the devastating Hurricane Beryl

The Secretariat of the Association of Caribbean States extends its condolences to the people of Grenada in the wake of the devastating Hurricane Beryl, which claimed the lives of citizens, left injuries, destroyed and flooded homes and other buildings, and caused power outages and the interruption of the supply of other essential services. The Secretariat expresses its solidarity in this period of mourning for the irreparable loss of life.

The Secretariat of the Association of Caribbean States takes this opportunity to renew to Grenada the assurances of its highest consideration.
