The ACS advances from Panama in a regional plan to address the humanitarian crisis in Haiti

Photo by: Odelyn Joseph

Panama hosted the ACS Regional Conference to coordinate aid for Haiti's humanitarian and security crisis. The meeting aimed to provide support in areas like food, health, and child protection through a 10-country Action Plan co-chaired by Haiti and Mexico. Over 5.7 million Haitians, including nearly one million children, faced acute food insecurity, underscoring the urgency of regional action.
